

Junior Equality Monitoring Form

The Welsh Target Shooting Federation (WTSF) is committed to using data to inform our work in improving equality and diversity in target shooting. This includes building an accurate picture of the people in Welsh target shooting and publicly encouraging equality and diversity. The WTSF needs your help to do this.

This very short (<1 min) questionnaire is voluntary and helps to improve equality and diversity by using evidence to inform plans. Please complete the questionnaire honestly and to the best of your knowledge. A Welsh language version of this form is available using the button at the top of this page.

This questionnaire is designed to be anonymous. Any information given on this form will remain confidential, stored securely and will only be used for equality monitoring purposes.

You can contact mike.gross@wtsf.org.uk if you have any questions regarding this questionnaire. Alternately, you can download a paper copy of this questionnaire and submit it to the email address above.

The WTSF wishes to reassure any job applicants that this form will not be used at any stage of the recruitment process. Any information given on this form will remain confidential, stored securely and will only be used for equality monitoring purposes.

Please email the completed form, marked 'Strictly confidential' to mike.gross@wtsf.org.uk. This form can be completed in [digital format here](#).

Alternately, you can post the completed form in an envelope marked 'Strictly Confidential' to:
